Dear Mr. Adler

I write to acknowledge with gratitude receipt of your students' generous contribution to JBI International (established in 1931 as The Jewish Braille Institute) in support of our work with the Jewish visually impaired and the blind of all ages. We are especially pleased to be part of your students' tzedakah education. It is our hope that they will continue to develop the tradition of giving that is so much a part of Judaism.

Your gift helps JBI keep a wide variety of Books on Tape, in Large Print and in Braille available so that the visually impaired of all ages, both here and abroad, are able to maintain full participation in Jewish educational, religious, cultural and communal life. Please share the enclosed letter with the students and let them know that, with this gift, they are bringing education and pleasure to so many.

Sincerely,

Dr. Ellen Isler
President and Chief Executive Officer
